

# Dartmoor Crafts

Dartmoor Crafts is an exhibition celebrating a wide range of creative work produced by craftspeople living and working in the National Park. Dartmoor is the inspiration for much of their work and many use natural materials sourced from Dartmoor.

Here you will see items crafted from wood, metal, clay and textiles.

The exhibition can also be viewed at [www.dartmoor-npa.gov.uk](http://www.dartmoor-npa.gov.uk)
